

International Conference on Computational Science:

On March 06, 2019, an international conference on Computational Science was organized by the Dept. of Computer Science and Applications, and IQAC, P. K. College, Contai. Prof. Gyei-Kark Park, Mokpo National University, South Korea, and Prof. Baoding Liu, Dept. of Mathematical Sciences, Tsinghua University, Beijing, China were the invited speakers of the above-said conference. It was a very successful one and many of the students, faculty members and other professors were present during this conference.
