

Seminar on Robotics:

On May 14, 2022, a seminar on Robotics was organized by the Dept. of Physics and Dept. of Computer Science and Applications, P. K. College, Contai. Mr. Syan Kumar Mahapatra was the invited speaker of the above-said workshop. He delivered his enlightening speech in front of all. It was a very successful one and many of the students, faculty members, and other professors were present during this workshop.
