➔ We totally enjoyed each and every sessions of the workshops and learnt every minute details in a very comfortable environment. The presenting style of the topics overwhelmed us.

➔ At first the relevant theoretical contents on those practicum were discussed through the audio-visual and PPT mode. Then the topic of the practicum were presented and discussed elaborately before us. Important points and notes were dictated and examples were visualized.

➔ After the end of each sessions the teacher came in contact with us personally who were having some troubles in understanding some critical thing.

➔ We were very excited and keen to interact with our teachers as they helped us in a very friendly-manner to clear our all sorts of doubts.

➔ All the topics were presented in a clear, lucid and engaging way with obvious and immediate results which helped us to learn the best.

➔ We were also benefited by the on-spot group discussions in the workshop.

➔ We are very lucky to be a part of this kind of workshop for our practicum works which will help us to show our creativity on these works in future. Being the first batch by getting engaged in this kind of workshop in the history of our department, we are very glad and proud.

➔ At the end, we would like to show our gratitude towards our Principal Prof. Amit Kr. De, our dearest H.O.D. Dr. Amit Kr. Bera , Workshop Co-ordinator Asst.
