

Dr. Malay Dolai, M. Sc, PhD

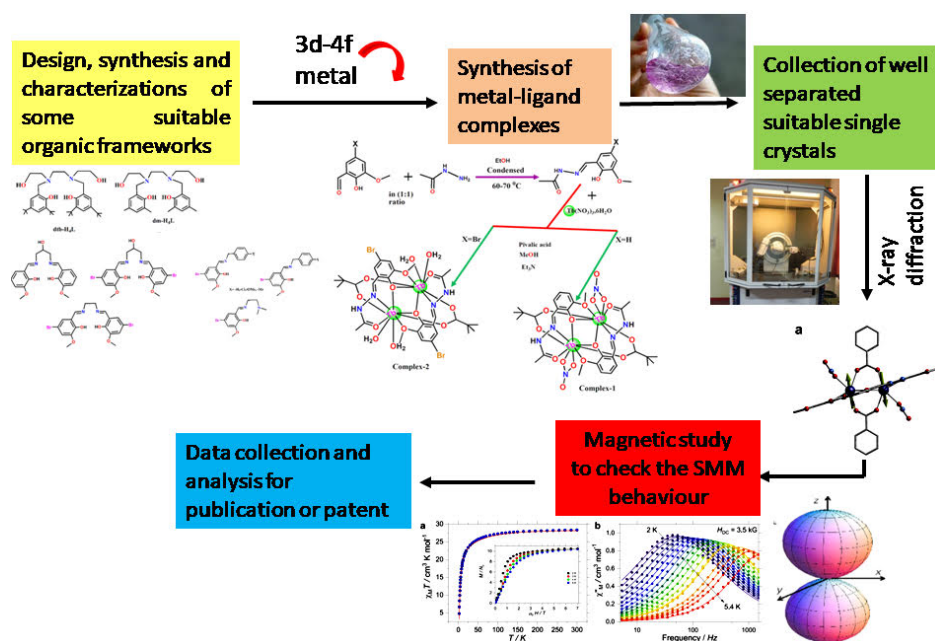

Department: Chemistry

Research Experience: 10 years

Research Interest: Development of lanthanide based complexes, Crystal structure determination, DFT study, Magnetic property measurement

Number of Publications in peer reviewed journals: 63

PhD supervisor: one working research scholar

Google Scholar link: <https://scholar.google.co.in/citations?user=iNkYAsAAAAJ&hl=en>

Awards Received:

- *Best Poster Prize by RSC Advances*
(<http://blogs.rsc.org/ra/2011/07/14/rsc-advances-poster-prize-winners>).
- **Indo Asian – Research Excellence Award 2022 in Supramolecular Chemistry** by REd Talks International, Vijayawada, Andhra Pradesh, India
- World ranking in AD Scientific Index 2022:
(<https://www.adscientificindex.com/scientist.php?id=336477>)
