

Dr. Asim Guchhait , M.Sc. PhD, Department of Physics

Research Experience: 10 years

Research Interest: Fabrication and characterization of solar Cells based on semiconductor, nano material, Organic polymer, CZTS materials, hybrid perovskite materials, Assembly of anisotropic nanomaterials and ther optoelectronic application.

Numbers of Publications in peer reviewed Journal: 31

PhD supervisor: One working

Email: guchhait.asim@gmail.com
