The UBA unit and Department of Nutrition of PKC have organized a health programme in association with Lions club of contain. Under this programme, the villagers get the opportunity to check up their eyes and to test Blood sugar. Apart from this, their BMIs have also been measured. After check up the eyes, total thirty-one beneficiaries have been given the spectacles.

3. Focus Group Discussion with the Villagers of Jagannathpur Village on 8.6.2022

Total 44 villagers of the Jagannathpur village have participated in the Focus group discussion held at Jagannathpur Primary school on 8th June, 2022. Most of the participants are women. The main purpose of this focus group discussion is to identify the resources they possess and their skills in performing different livelihood activities. In the FGD, three livelihood activities have been identified where they have some skills. These are Gahana Bari Making, Vermi-compost Making and Nursery training and pisciculture. It is decided in the meeting that at first for Gahana Bari, a producers-buyers meet will be held very soon. The training for other livelihood activities and the marketing linkage of the product will also be held in successive periods.

4. Focus Group Discussion at Banamalipur Village on 17.6.2022

A focus group discussion on capacity enhancing in performing various livelihood activities was held at Banamalipur Primary School on 17.06.2022 at 3.30 pm.

The purpose of this FGD was to identify the demand driven livelihood activities on which the participants have some basic skill.

Total 44 members of different Self-Help Groups have attended the FDG. Dr. Sujata Bera, Coordinator, UBA unit, PKC, Miss Manjusree Bera, member of UBA cell, Mr. Adwaita Maiti, Member of UBA Cell were also participated in FGD.

Mr. Debashish Panda, Mater Trainer, NIRD highlighted five basic things required for starting a livelihood activity. In FGD participants demand for training on three main livelihood activities. These are training on making vermi-compost, poultry farming and nursery training. To conduct the said training programmes, the UBA unit of PKC will take initiatives contact with other line Departments providing these training facilities.

In the meeting, all participants have been advised to make an effort to submit application to the forest Department for collecting fruit plants and to observe 'Aranya Saptaha' during 14th to 20th July, 2022.
