ABOUT THE COLLEGE

PRABHAT KUMAR COLLEGE, CONTAI is the oldest College of Purba Medinipur District, West Bengal, India. It was established on **July 15, 1926** as an Arts College under the University of Calcutta. In 1985, the College got affiliated to Vidyasagar University. The Institution has been accredited and re-accredited by the NAAC in 2007 and in 2015, respectively. The college has also been awarded the status of "**College with Potential for Excellence (CPE)**" by the UGC in 2016. Presently, more than seven thousand students are studying in UG, PG and B.Ed. Sections. The College has established two Research Centres under the aegis of Vidyasagar University with an object to undertake and promote sound and original research activities in the disciplines of '*Humanities and Social Sciences*' and '*Natural Sciences*', leading to award of Ph.D. Degree. The prime objective of the College is to ensure academic excellence, and shine in research activities as well.

ABOUT SPOKEN TUTORIAL (IIT BOMBAY)

IIT Bombay has started many initiatives under the NMEICT Scheme of MoE, Govt. of India (GoI) to provide ICT enabled computer-based learning. One of the leading initiatives taken by IIT Bombay is Spoken Tutorial (ST) Project which is a part of "Talk to A Teacher" Project. Through this ST Project, IIT Bombay has trained lakhs of students and faculties on various ICT based topics, courses and programmes across the Country. The Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNMTT) is another most effective initiative of MHRD, GoI, and it combines both T10KT and ST Project to provide training to students and faculties in blended mode on a large-scale.

WHY LaTeX?

LaTeX is a document preparation system for high quality typesetting. It is very often used for technical or scientific article/paper writing or documents preparation. It can be used for almost any form of publishing including letter, article, report, text book, etc. LaTeX lets authors get with writing documents without being bothered about document design. The objective of the FDP is to train and enlighten all the participants about application of LaTeX.
