

A Practical Introduction to Artificial Intelligence and Machine Learning

Join our esteemed guest speaker to develop AI and ML literacy. All ages and academic backgrounds are welcomed and encouraged.

Thursday June 13th

Hosted at Prabhat Kumar College
Contai, Purba Medinipur, West Bengal, India, 721404

2PM Part 1: Developing Literacy

- For a general audience with no mathematical background
- Big Question: What is AI and ML?

3PM Part 2: Computational Introduction

- For those with some mathematics or computer science background
- Big Question: How do I start learning AI and ML implementation?
